Statement by Bill Williams
U.S. Attorney
District of Oregon
January 27, 2016

Good Morning. My name is Bill Williams, and I am the U.S. Attorney for Oregon.

I have been coming to Harney County on behalf of the US Attorney's Office for the last 15 years. I am keenly aware of the concerns that are important to this community. I have seen first-hand the passion that folks in this community have for the way of life that is so special. Clearly, this has been disrupted by this armed occupation.

The FBI, the Harney County Sheriff's Office, OSP, Oregon Sheriff's Association, and numerous law enforcement agencies from around the state have been working very hard to resolve this situation in a peaceful manner, to stop the threats to public safety, and to end the significant disruption this has caused to the people of this county.

We continue working towards resolution, and will do so with the primary goal of restoring normalcy to this community, and highlighting the already existing cooperative efforts of local and federal partners in addressing their own issues.

There are currently eight people in custody - - seven in Oregon and one in Arizona. They will all make an initial appearance before a federal magistrate today. At some time in the future, the defendant in Arizona will come to Oregon for future court proceedings.

As the FBI announced last night, these eight people were arrested for the federal felony offense of "conspiracy to impede officers of the United States from discharging their official duties through the use of force, intimidation, or threats."

PREVENTION COALITION MEETING FOLLOW UP FROM WEDNESDAY FEBRUARY 10TH 2016

Thank you to those who attended the Prevention Coalition meeting on Wednesday, February 10th. It was well attended and your input was greatly appreciated. We have a lot of work to do to move us forward, so many positive ideas came out of the meeting, now we need to go to work!

As discussed in the meeting the SPF-PFS has a timeline to get the work done. Please see the attached document for the timeline. Our next meeting will be held on Thursday, February 25th at 5:30 pm at the Gathering Center. At this meeting we need to accomplish three specific goals.

The first goal is to discuss and decide which of the following priority areas concerning substance abuse most reflects the community.

- The age group of the 21-25-year-old high risk (binge drinkers)
- Prescription drug misuse and abuse, age 12-25
- Underage drinking among 12-20-year-old

The second goal is to define the community:

- Burns Paiute Tribal members
- Native American population within Harney County
- Native Americans on reservation and in Burns and Hines

The third goal is to form a workgroup:

- This work group can comprise of 5-7 community members or the whole community
- A community assessment workgroup needs to be willing to help move the Strategic Prevention Framework Partnership for Success forward

At the state level, Oregon has completed an assessment and funding allocation plan identifying communities with the most significant need in addressing one or more of the above three priority areas.
