To Burns Paiute Tribal Community.

At this time the Burns Paiute Tribal Council would like to encourage our Tribal Community to please be safe. With the rising numbers in Covid cases on the reservation we ask that you please stay home as much as possible.

We ask that if you are called by a contact tracer and are asked to quarantine, please follow their orders. If you are required to be in quarantine or if you have tested positive for Covid you may call Jody Richards at 541-589-4595, Joellen Billington 541-589-2380 for a "Care Package".

As of last week Tribal Offices have been shut down until further notice. All/most services are still made available and you may contact employees by cell phone. Please do not hesitate to call if you need assistance.

The Tribal Council is also working on an SMS System which will alert you with information and updates through your cell phone. Please be aware at this time we are also working on additional tribal community precautions that may be put in place soon.

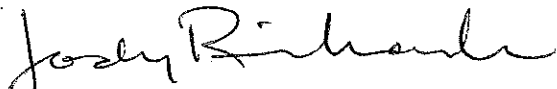

SO PLEASE:

- **Stay at home:** Community members are encouraged to stay at home, limit travel only for needed supplies.
- **Wear a face mask:** Community members will be required to wear a face mask when needed to shop or attend to errands.
- **Handwashing:** Wash your hands for 20 seconds or use an alcohol based hand sanitizer.
- **Travel:** We ask that you please encourage family not to travel for out of town visits unless necessary and discourage family from traveling to our Reservation.

In addition, the Tribal Council approved a Covid-19 Safety Plan, Community Emergency Response in November. The purpose of the plan is to identify and communicate the safety plan for protecting the health of the Burns Paiute Tribal Community.

We care about our community and we want everyone to be safe and healthy. We will get through this with everyone's help, please do your part. We thank you!

Respectfully,

A handwritten signature in black ink that reads "Josely Richards". The signature is written in a cursive style with a large, prominent initial "J".
